BIO

Hicham aka BKL is a DJ / PRODUCER from Marrakech, driven by a deep love for house, groovy, minimal, and tech house.

His sets aim to create real connection through rhythm, bringing people together on the dance floor.

What inspires him most is that raw moment when the music hits and the crowd moves as one.

BKL's goal: leave a mark on the scene and share his sound beyond borders.

GENRES

Music transcends genres.

A DJ's real job is reading the crowd and playing what works - genre aside.

If you're still curious, here's what I usually play...
